## About The Tabernacle

In 2003, God took Mark & Helen Goatley to Germany to pioneer the ministry of the Tabernacle—creating spaces to experience the presence of the Lord.

In 2002 God began talking to Mark & Helen about a “new thing that He was doing”. At this time they were working with Wycliffe Bible Translators Australia as National Youth Coordinators. In their homeland of Australia for over 14 years they had been discipling the emerging generation to follow Jesus inviting them to a surrendered servant lifestyle.

Mark's background is in Business Management & Pastoral work whilst Helen's is in Education.

After 4 years in Germany with much travel within Europe & Israel, they saw God establish 5 Tabernacles across Southern Germany. In 2007, with their son, Joel-Mark, they received a clear call from the Lord to base out of Melbourne Australia for a time, and with God see people receive a burning desire for intimacy with Him.

*6 week  
Tabernacle Experience*

February 29-  
April 11, 2008

All4Him  
The Tabernacle

**The Tabernacle Experience is a time out  
where the main focus is the Lord  
hearing His voice  
experiencing His presence  
developing intimacy with Him  
over 6 weeks**

Tabernacle is the most beautiful space on earth. It is beautiful for one reason & one reason alone. It is experiencing the presence of the God of Israel & He is beautiful.

In a world that crudely clamors & screams for our attention, loyalties & time, the Tabernacle is so opposite. It does not clamor or scream. It is not crude, abusive & tiring. It is simply inviting. Inviting us to “enter a whole new spiritual dimension, a climate so thick with the presence of God that it will affect our ability to stand, let alone walk. For God is restoring His manifest presence among us.”<sup>1</sup>

**1 night a week  
of worship in Spirit & truth**

Sharing a Jewish Shabbat meal Friday nights & together discovering God’s heart as we worship Him. We are committed to going with the flow of His Spirit on these nights and not being bound to an agenda.

**2 afternoons a week  
sharing, teaching & receiving  
impartation from God’s Word**

Discovering the heart of the Tabernacle—the presence of God. What it is to be an ‘alabaster jar’ poured out over Him.

Why Israel is important in these end times.

Developing more in hearing His voice & what it means to wait on Him. Identifying & understanding various influences such as the Greek humanistic spirit & how they effect the hearing of His voice.

**Minimum 4 hours a week  
soaking in the Presence of the  
Lord in the Tabernacle**

In the set apart space of the Tabernacle, worship to the God of Israel is maintained 24/7. It is a place of laying down everything carried in the heart & mind, all agenda’s to go before the Lord & soaking in His presence.

Free spontaneous worship responding from this such as resting, prayer, prophetic declarations, spirit-led dance, song, artistic expression, proclamations from the Word of God.

**Debriefs & individual times  
available with the team**

The details on this form could be subject to change without notice.

This is about the honor of God. What you are reading now is not about Tabernacle, it is about God. It is about Him, His presence, His glory, His honor, His name, His majesty, His superiority. All around the world God is calling His people, both His chosen people, Israel & the ‘grafted branch’ His church, back to Himself. The Tabernacle is not about another new program, new ministry, new approach, or new work. It is not about the things of men. It is not even about men. It is simply about God & His presence manifest among us.

This is the most important thing you can understand. This is the Tabernacle experience. The most beautiful thing on earth. Him.
